

**Parking garage tariffs:**

New parking fees will apply from January 1, 2020. This is the first price adjustment since the beginning of 2016. Reasons for the adjustments are increased maintenance costs, numerous maintenance work and modernizations as well as the adaptation to traffic safety through the construction of additional escape stairwells.

<b>time</b>	<b>tariffs</b>
0-30 minutes	Free of charge
31 – 60 minutes	EUR 2,-
