

AUSTRIA CENTER VIENNA

LICENCES FOR MECHANICAL MUSIC PLAYBACK

In principle, playing music covered by a mechanical licence is free during your event.

However, just to be on the safe side, we ask that you provide the following information about the music you wish to play four weeks in advance:

- Where:

in which parts of the venue do you want the music to be played? This will also help us to provide the right equipment for your needs.

- Providing the music files:

which music do you want to play? Please give us the files in *.mp3 or *.wav format on a data carrier (USB stick, removable hard drive).

Live performances and DJs

Live performances and DJ sets have to be registered by the event organiser at least three working days before the start of the event. Please ensure that you complete the form in good time:
